19064 AWARD WINNING ONLINE MOBILE APPS BUSINESS - WORK FLEXIBLE HOURS FROM ANYWHERE!

Are you looking for an opportunity to earn a great income, work flexible hours from home and still have plenty of time to spend with your children or doing the things you love?

You could purchase this online mobile apps business and not only make great money without any limitations but also have the perfect work/life balance.

They have been well established for over seven years and Australia's number one business providing their simple and easy to use technology in the form of a customizable app. Their apps deliver a versatile and instant way for schools, sporting clubs, councils or community groups to communicate. For use on all devices from Apple, Android and web apps. They also have the ability to offer website hosting if requested.

KEY FEATURES:

- No technical, coding or IT experience required
- Long term clients in place
- Cash flow positive with recurring income
- Low overheads
- Operate from anywhere
- Zero limitations on your target market
- Not limited to Australia
- Ability to integrate with complementary businesses to extend on the services already provided

The current owner works less than 4 hours per week while a casual technical support person is employed to maintain the apps, handle any technical issues and interact with service providers, efficiently responding to email instruction with little to no guidance required. Technical support is willing to stay on if needed.
