19107 POOL SUPPLIES, PUMPS AND ELECTRICAL BUSINESS

Imagine owning a business that supplies sought after products and services in a highly profitable industry. Now imagine your success if you had zero local competition. Purchase this highly regarded and well-established pumps, pools, spas, electrical supply and installation business, and this could all be your reality.

Operating and positioned in the same, highly visible, main street location for over 15 years, this business is well known and has developed an excellent reputation for specialising in all areas from:

- Pump supply and repairs, pools, farm dam pumps, freshwater house pumps, agriculture pumps for dairy cleaning and everything in between.
- Pool, spa part and chemical supplies
- Water filtration
- Irrigation
- Electrical services

This business comes with absolutely everything you need to continue on the same successful path, a well-appointed shop front, adjoining service centre, storage out the back of the store, as well as a large loyal client base providing consistent repeat business and a small, highly trained team of staff to ensure a smooth transition and flexible working conditions.

Key Features:

- Highly reputable brand
- Profitable and growing, approx turn over \$385K+
- High growth area with consistent year-round trade, reliable increase in demand between October to April with many homes requiring repairs to pool pumps and chemicals
- Great lease options
- HUGE growth potential, opportunities to expand pump supplies with innovative new solar technology being released. Option to also expand into the supply of
