## **22089 INDUSTRIAL MANUFACTURING & DESIGN BUSINESS - STRONG REVENUE GROWTH**

Primed and ready for new ownership, this is your chance to own an industry-leading manufacturing & design business. The business has just recorded its biggest year ever with revenue increasing by over 20% to \$940k, so now is the perfect time to cash in!

Providing technical design, manufacturing, service, and provision of parts for light industrial products across applications ranging from Oil & Gas, Industrial, Mining, Refrigeration, Food & Beverage, Military, Marine, and Commercial. The business has an extensive market reach.

With an established network of loyal customers, the company continues to receive repeat business time and time again. Located in a high-growth and developing Sydney traffic corridor, this high-profile location allows convenient access to major arterial roads.

Delivering extraordinary service to its customers, this business has a team of highly qualified and trained staff on hand. Together with over 30 years of legacy products in the field, this has created strong brand awareness and an excellent reputation for the company.

This year-round business provides essential services to power stations, mines, hospitals, airports, and police among others. The company has also been permitted by Service NSW to continue operations throughout Covid lockdowns due to the essential services it provides.
