22256 EXTREMELY PROFITABLE ECOMMERCE SKIN CARE BUSINESS - SOLD

Unfortunately, you have missed this one, but keep looking as we have plenty of other great businesses for sale - bonzabfs.com.au/businesses-for-sale/

This fast-growing eCommerce business has a foothold in over 43 countries, supplying Australian-made suncare products through wholesale channels and direct-to-consumer.

The business has secured industry-leading profit margins on wholesale contracts, as well as favourable payment terms that give the business strong liquidity and the ability to fund growth without cashflow limitations. On-trend branding and product packaging has resulted in strong engagement across social platforms and the business has a robust eCommerce framework that is poised for growth.

With no need for employees thanks to a reputable third-party contract manufacturer handling production and distribution of large wholesale orders, the business is highly agile and can be operated from anywhere in the world. With great relationships with manufacturers and distributors, quality products are delivered to customers in a timely manner.

With room to continue expansion, this is an extremely rare chance to create an eCommerce empire with all of the hard setup work done for you.
