20050 PROFITABLE ELECTRICAL, FIRE, TEST AND TAG COMPLIANCE BUSINESS

Profitable electrical, fire test and tag, fire/emergency compliance business with an exceptional reputation and an extensive range of long term, regular clients.

If you are searching for a business that will allow you to be your own boss, work flexible hours and have a stable income stream, then this electrical compliance business is the answer you are looking for. No experience necessary!

This incredible electrical business is well established and has been supplying the Melbourne area and beyond with a broad range of electrical services from test and tag, exit/emergency light testing, RCD safety switch testing and much more. They also have an extensive list of loyal clients in place, including the local government, commercial/industrial companies, retail businesses, TV providers, facility/property managers and electrical contractors.

They have developed their own in-house end to end software that will enable the company to grow exponentially without the need for extra administration staff, it collates information automatically and produces reports that outline all the details with photos.

The office is located in the centre of a major corporate hub on a busy main road in Melbourne. They are ideally positioned on the ground floor, allowing clients a convenient place to drop off items.

Key Features Include:

- Highly regarded business and fantastic brand awareness with recognisable office signage and sign written vehicles
- Highly profitable, Turnover \$741,000, the owner can work minimal hours and make a significant income with key staff in place to take care of everything
- Large, loyal client base with ongoing work
- 5 star ratings and outstanding reviews
