Unfortunately, you have missed this one, but keep looking as we have plenty of other great businesses for sale - bonzabfs.com.au/businesses-for-sale/

This is your chance to take the reins of an innovative and fast-growing technology company that is primed and ready for new ownership! With everything you need to hit the ground running from day one included in the sale price, all that's left to do is step in and start earning!

Focussing on the building, supplying, and maintenance of servers, PCs, firewalls, network security solutions, and specialist cabling with accreditations from both Molex and CommScope, the business has developed multiple streams of revenue to take advantage of. Boasting a large customer base including commercial clients, medical centers, legal practices, dentists, and registered clubs, the business is highly regarded with a cemented reputation for quality service and reliability.

After 40+ years of successful operations, the business has grown and evolved into an industry leader and a preferred supplier to State and Federal Governments. Presenting extremely well online with a perfect 5-star rating and a modern website filled with success stories, the owners receive an abundance of online enquiries in addition to word-of-mouth referrals.

Recording consistent revenue with year-on-year profits, the business is a proven earner that can be expanded even further if you see fit. With the current owners moving on after building this lucrative business from the ground up, now is the
