Don't miss this rare opening to take the reins of North Brisbane's largest children's play centre and café that continues to record consistently strong revenue growth and sustained success! With all of the hard work setting up the premise and building a renowned brand already complete for a motivated buyer, this opportunity won't be on the market for long!

Offering safe activity spaces, a full-service café, hosted birthday parties, and 2 additional revenue streams, the business has tapped into a lucrative niche market that continues to attract customers in the North Brisbane region. Designed to keep kids active while they learn through play, the business is a great place for parents to relax and unwind while their children have a ball.

Ideally located in a semi-industrial complex on a major road, the business is highly accessible and receives an abundance of walk-in visitors as well as local regulars.
