Unfortunately, you have missed this one.

Searching for an exciting and profitable business opportunity? Look no further! Completely set up to ensure a smooth transition of ownership, this well-established business specialises in the sale and repair of all types of bikes and scooters including electrics. With a prime location on the central coast, the business has huge growth potential on the peninsula and beyond!

One of the unique selling points of this business is its exclusive local dealerships for major brands such as bikes, e-bikes, scooters, e-scooters, tricycles, and skateboards that allow you to hit the ground running from day one. Offering a wide range of high-quality products at competitive prices, the business has quickly become the one-stop-shop within the local area with minimal competition to worry about.

Boasting a fantastic position on the Central Coast, the spacious store features a modern fit-out with main road frontage in the cafe district adjacent to a popular bike path, making it highly visible to commuters.
