SOLD BY BONZA BUSINESS & FRANCHISE SALES

This customer saved over \$15,000 in commission by using Bonza Business & Franchise Sales

Seated Espresso Bar/Cafe for 40 inside with the ability to expand outside. If you are serious about buying a cafe this may be the one that should not have got away! Act now or be disappointed.

The shop focuses on specialty coffee and offers grab and go food along with a selection of locally sourced cakes (cakes, tarts, slices). We are open from 6am - 1pm and on the weekends we open from 7:00am - 12:00am.

Situated on a road that connects a major road through town and a shopping centre and opposite a large commercial building in there is plenty of passing foot traffic and ample parking nearby.

Customers are a range of locals, tradesmen and business workers. We have a large number of repeat customers.

Nambour, is an artsy town roughly 20mins drive from the wonderful Sunshine Coast beaches.

The shop is well run by a full time manager (34hr week) and two casual staff. A couple could easily run this great coffee house and enjoy a joint income.

The large premises at 94m2 are on amazing terms and give the place a light and airy feel.

You will struggle to find such a great cafe with these numbers and potential anywhere!

Here is note from the current owner.....

"Buying this business is a fast, safe and simple way to launch into the world of coffee with so much room for growth for the right owner.
