## PROFITABLE & RENOWNED ONLINE WELLNESS BRAND – SOLD

Unfortunately, you have missed this one.

Profitable since day one of operations, this niche wellness brand provides a wide range of natural products to support mothers' needs through pregnancy and post-partum. With over 200 distributors throughout Australia and internationally, this pioneering brand has achieved remarkable success with consistent repeat purchases from a vast wholesale market and dedicated customers.

The online aspect of the business allows for unparalleled flexibility, enabling you to work from home or while on-the-go, at your own pace. Being owner-operated without any staffing needs, the proprietor has devised a streamlined business model that reduces overhead expenses while allowing for ample growth opportunities.

With thousands of followers across various social media platforms, the brand can actively interact with customers and market its products through organic posting. Featuring well-promoted and expertly packaged products such as bath salts, teas, essential oils, gift sets, eye pillows, and more, the brand maintains a consistent image in both communication and appearance.

Taking advantage of established connections with crucial suppliers, the business offers robust profit margins with substantial potential for expansion. Equipped with efficient back-end systems to ensure seamless operations post-sale, everything required to enter this lucrative niche market is included in the asking price.
