Attention all smart investors! An exciting opportunity has just become available to own an established business that is at the forefront of Australia's caravanning and RV industry. Primed and ready for new ownership, this sale offers a chance to take the reins of a leading Australian manufacturer and designer of covers for caravans, motorhomes, RVs, and camper trailers!

Located just five minutes off the Bruce Highway on the Sunshine Coast, this business is in the heart of a high-growth corridor of South-East Queensland. The area is experiencing a surge in demand for over 50s living, with three new villages being completed and a shopping precinct that has just opened. The Caravan Industry Association of Australia reported a staggering 42% increase in caravan sales from 2020-2021, which has directly boosted the sales of this business's sought-after products.

What sets this business apart is that it is the only Australian-made caravan and RV cover manufacturer on the market, which means there is minimal competition to worry about locally. Boasting a modern website accompanied by a perfect 5-star Google rating, the brand presents strongly online and makes it easy for potential
