SUCCESSFUL INSULATION REMOVAL & INSTALLATION BUSINESS – SOLD

Unfortunately, you have missed this one.

Searching for an established and highly profitable business to take over? Look no further than this incredible opportunity to purchase a leading insulation removal and replacement company, located in the rapidly developing Brisbane region!

This unique business specialises in removing and disposing of old insulation and replacing it with top-of-the-line polyester insulation that is mould-resistant, fire-resistant, and non-allergenic. Additionally, the company offers gutter vacuums, roof pressure cleans, and ceiling ventilation services to help clients combat mould issues and maximise their insulation's effectiveness.

What sets this business apart from others in the industry is its team of expert staff who have been with the company for an extended period. With such a dedicated and experienced team in place, the business runs like a well-oiled machine, allowing the current owner to focus solely on administration and not have to work on-site.

The business is home-based, making it easy to manage, and with the Brisbane area experiencing numerous residential developments, there is ample opportunity for growth. The company's modern website is already in place, complete with an abundance of glowing customer reviews, ensuring that the brand is well-positioned to generate a steady stream of online leads.

With a well-known and highly regarded business name, all of the hard work has already been done to set this operation up for success. Fully equipped with nothing more to spend, everything is in place for a new owner to step in and start earning from day one!

Key Features:

- Staff-managed insulation business with proven earnings.
- Well-known and highly regarded business name.
- Home operated in a rapidly growing corridor of SEQ.
