23278 BOOMING BUILDING EQUIPMENT HIRE BUSINESS – COASTAL REGION

This is your opportunity to enter an already flourishing rental business for construction equipment, including everything necessary for you to capitalise on its ongoing success at the price of acquisition. With a dedicated customer base, a flexible model, and the inclusion of all essential equipment and inventory, this business is well-prepared for a new owner eager to take it to the next level!

Providing a wide range of items for leasing machinery, construction and landscaping equipment, do-it-yourself tools, and more, the business is in high demand within a highly profitable market. By working with a diverse clientele and frequently collaborating with major hardware companies, the business has established a strong reputation for top-notch rental services and exceptional customer care within the local community.

Strategically situated in a desirable industrial zone without any competitors in a 30-minute radius, the business holds a prominent position as a leader in the building sector on the coveted Central Coast of New South Wales. As more individuals relocate to the Central Coast to take advantage of its numerous benefits, the local building industry is currently experiencing a significant boom and shows no signs of decelerating.

No training or certification is necessary for a new owner to assume control of the business, as all the hard work of establishing the brand over four decades has already been accomplished. Combined with a substantial social media following and numerous stellar reviews, the business offers an ideal opportunity for a motivated new owner to hit the ground running in a highly rewarding industry!
