## SOLD BY BONZA BUSINESS & FRANCHISE SALES

This customer saved over \$15,000 in commission by using Bonza Business & Franchise Sales.

This innovative, family run business provides a much needed alternative skip bin service!

The owner has a second business and is not devoting the time needed to grow this business and is still making great money.

The sale includes all you need to run this business, 18 trailers, a truck to deliver and a great website to take bookings and generate business.

This business would ideally suit someone looking to do this 4-5 hours a day and run above current levels, or someone who wants to build the business and work on it full time.

Talk to us to understand the full earnings potential of this business!

Due to the unique design of the trailer skip bins, mounted on a trailer, the skip bins can be more conveniently positioned and utilized.

This means greater time benefits for you in that they can be loaded quicker as you can get them closer to where they are required.

The business is completely set up and ready to step in and start earning income.

This business has a unique niche in the market as there is none other like it. The 4 cubic meter trailer skip bins ensure that you can toss out whatever rubbish you have, in whatever area you have it in. They can be used in the city, in the country, on the job site or around your home with no problem.

We offer clients steady, consistent and dependable means of transporting waste, so that you can focus on running your home, business or job site.
