21155 - ESTABLISHED HEALTH, BEAUTY AND WELLNESS CLINIC – PRIME LOCATION

The owner is transitioning to retirement and is highly motivated to sell.

Equipment has been heavily reduced for a fast sale. This is your opportunity to purchase a well-established, profitable, and well-appointed beauty and wellness clinic in a much sought-after location. The sale price has been set well below the cost of establishment of a similar business.

With high-value equipment and high-demand treatments, the clinic provides its clients with tailored programs for body shaping, non-surgical cosmetic, wellness, personal care, and antiageing treatments. This business is perfectly positioned in the rapidly growing sector of the health and wellness sector. The sale includes medical-grade, TGA listed equipment.

The clinic has an extensive database of loyal clients, and a steady flow of new clients from the professionally managed social media advertising and CRM systems, plus referrals from cosmetic surgeons across SE QLD. Located adjacent to Queensland's largest shopping centre, the clinic benefits from the excellent location without high rental costs.

All the hard work building a strong reputation in the industry with highly regarded treatments, an extensive list of loyal clients, and 5-star reviews has been done. A well-equipped clinic, professionally managed social media advertising, and well-designed website with an online booking service makes this an easy transition for the new owner. Hit the ground running and make an income from day one. Full handover of this exceptional business will be provided so the new owner/operator or investor can build on its success with confidence.
