20154 MANUFACTURING NATURAL BEAUTY PRODUCTS AND ONLINE STORE

If you have a passion for beauty and are looking for an opportunity to work from the comfort of your own home, write your own schedules and make a great income, then look no further!

This incredible business manufactures natural and highly effective artisan hair and skincare products. These popular products are then sold online and wholesaled to over 40 well-established stockists.

All the hard work has already been done, formulating a gorgeous range of hair/body products, building a strong online presence and creating a successfully functioning, easy to run business model that requires no prior experience. Start today and hit the ground running!

Key Features Include:

- Well known and highly regarded brand in the industry
- Profitable business with unlimited growth and earning potential
- Strong online and social media presence, well known and loved amongst influencer circles
- Great performing, easy to use website in place with fully integrated shipping automation making shipping stock simple
- No experience required, can be operated by one person working minimal hours
- Receive the in-demand formulations for over 15 hair/body products

More consumers are searching for a natural approach to their health and beauty regime. Capitalise on an industry that shows no signs of slowing down with a completely scalable business model, delivering enormous growth potential.
