COMMERCIAL KITCHEN/PASTA PRODUCTION BUSINESS - SOLD

Unfortunately, you have missed this one.

If you've been searching for a profitable venture with an excellent reputation and a strong base of loyal customers, your search ends here. Introducing an exceptional pasta and pizza base production business located in the rapidly expanding corridor of South-East Queensland. This is your chance to seize a thriving opportunity in the wholesale market!

Renowned for its delectable, high-quality wholesale offerings, the business produces and sells pasta, ravioli, pasta sauces, lasagna and pizza bases. It currently operates under the guidance of its owner five days a week, solely focused on wholesale production. With a steadily growing customer base, the business is already generating profits. However, there's enormous untapped potential for expansion into retail operations and other avenues.

Offering flexible options for a new owner, the adaptable layout can be customised to suit the vision of any prospective owner. Featuring a spacious outdoor area of 30/40 square metres and equipped with everything necessary for pizza-making, this space offers the opportunity to effortlessly convert it into a pizzeria. This transition can be seamlessly integrated with the thriving wholesale trade that's already in place, allowing for further growth and success.

Due to the owner seeking to relocate abroad, this business is poised and ready for a new owner to take the reins and propel it to greater heights. It comes fully equipped with all the necessary elements for continued success. Thanks to its repeat clientele and consistent trade, there's no requirement for external advertising. It's a proven moneymaker that shows no indications of slowing down!
