MENTAL HEALTH PROGRAMS BUSINESS - SOLD

Unfortunately, you have missed this one!

Are you someone with a passion for helping others and a desire to make a meaningful impact on society? Look no further than this nationally and internationally renowned mental health programs business based in Brisbane. As a potential owner, you'll step into a thriving business where purpose and profit converge seamlessly.

The business offers specialised training in crucial areas such as suicide intervention, mental health and wellbeing, and communication skills. Their programs cater to diverse sectors, including businesses and communities, primarily focusing on empowering the community sector. Furthermore, owners can train others to become trainers, creating a network that multiplies impact and income effortlessly.

With programs available in person, online, or virtually, they are able to accommodate a variety of learning preferences, ensuring their message reaches individuals from diverse backgrounds and making it accessible to a broader audience. The unique structure of the business also allows the new owner to operate from anywhere. Additionally, you will have access to a wealth of knowledge, including meticulously developed training materials, videos, PowerPoints, and an efficient online management system, while a dedicated part-time staff is available to provide extra support and guidance.

The new owner will join a community of over 80 accredited trainers across Australia. Nevertheless, the business's efficient design allows it to be managed by one person. This network not only enhances the business's reputation but also fosters collaboration and mutual growth. With up-to-date policies, accreditations,
