# 33163 MULTIPLE CONCRETE SERVICE BUSINESSES - LUCRATIVE OPPORTUNITY

**Take advantage of this incredible opportunity to own two thriving concrete service businesses!**

Although their product offerings vary significantly, both businesses share a common commitment to delivering top-notch excellence and have garnered a loyal client base since their establishment in 2001. Their services, ranging from meticulous preparation to flawless execution, cater to the diverse needs of the commercial, industrial, and residential sectors.

Located in Western Australia, an area marked by rapid population growth and industrial progress, these enterprises present promising opportunities for expansion. They have demonstrated their capability to handle a wide array of projects, from local initiatives to extensive contracts spanning over a year.

The first business specialises in concrete placement and finishing. Employing a comprehensive approach, their services encompass all facets of concrete construction, including modular and traditional formwork, re-enforcement placement and fixing, concrete pumping, as well as the placement and finishing of large area super flat floors, in-situ walls, pre-cast panels, and suspended floors, among others. They have earned a stellar reputation within the construction industry, garnering trust and respect from renowned building companies.

The second business stands out as a niche provider offering comprehensive concrete grinding and polishing services. Proudly supported by a reputable major supplier, this enterprise utilises state-of-the-art equipment and materials to ensure consistently exceptional results. Its unique position as the sole provider of such services in the region grants them a competitive edge and substantial room
