23117 PROFITABLE MOBILE HYDRAULIC HOSE REPAIR BUSINESS – 22 YEARS OF OPERATIONS

Recording strong revenue annually with everything you need to hit the ground running in a highly lucrative industry, this rare opportunity to become your own boss and take the reins of a flexible and strongly established hydraulic hose repair business won't be on the market for long. Don't miss out on your chance to cash in and capitalise on a large existing client base!

Servicing Brisbane, Logan, Ipswich, and surrounding suburbs, the business has positioned itself in one of the fastest growing regions of South-East Queensland with a huge amount of demand for hydraulic hose services in the area. Completely mobile operated, the business has access to a vast range of customers and is able to keep overhead costs to a minimum with no leases or property-related outgoings incurred. As the need for freight and development continues to rise as multiple residential and commercial projects pop up throughout the Brisbane region, the industry is expected to boom keeping the books full year-round.

Specialising in the repair and replacement of hydraulic hoses, this successful business has been operating for over 22 years with no shortage of work. Well established with a cemented reputation and strong relationships to key suppliers, the business has acquired a large and diverse range of regular customers who have stayed loyal to the brand over its long lifespan.

Recording high profit margins and proven results for clients, this business model can be easily expanded and managed by putting staff in place to carry out services or it can be continued to be flexibly operated to maximise your work/life balance. The choice is yours!
