23202 MARINE MECHANICAL REPAIR BUSINESS – PROFITS 100K+

Are you a mechanic who is looking to step into your own business? This turnkey marine repair workshop would suit truck mechanics or anyone who knows their way around a diesel engine. The current owner is also willing to stay on to share knowledge and ensure a smooth transition of ownership.

This business offers maintenance and repair services for marine diesel inboards, shafts, props, and more, allowing it to attract a large client base that generates plenty of repeat business and referrals. Because the demand for marine services in the area is limitless, the current owner has been able to maintain a consistently high level of business for over 15 years, resulting in strong revenue growth throughout the company's lifespan.

The business is located in a prime position on the water in the stunning Gippsland region, making it easily accessible to clients and highly visible with prominent signage and branding. The business is based in the boating capital of Victoria, with a spacious workshop in a busy resort town, offering an incredible oceanfront lifestyle complete with opportunities for fishing, skiing, and recreational boating.

The business is fully equipped with modern tools and equipment and comes with a transitional period after the sale. It also has established relationships with major suppliers and brands, as well as a team of staff and contractors in place to carry out operations as needed. If you are looking for a proven money-maker in the marine industry, this business is ready and waiting for you!
