## UNIQUE HOMEWARES BUSINESS - IMPORT & RETAIL - SOLD

Unfortunately, you have missed this one.

An outstanding opportunity awaits for those looking to acquire a well-established business specialising in the direct importation and retail of exquisite Balinese homewares. Each piece, a testament to the incredible craftsmanship of Balinese makers, is truly unique and tells a captivating story.

Nestled in a thriving industrial area, the spacious warehouse serves as an ideal hub for container shipments and provides an inviting space for customers to explore the diverse range of products. The business boasts a robust Shopify website, generating consistent online orders, and maintains a strong presence on Facebook and Instagram, cultivating a dedicated customer base.

The potential to diversify the product range and tap into untapped markets is substantial. Balinese homewares represent more than just products; they embody a lifestyle, and the demand for unique, ethically sourced items is on the rise. The business originated as a home-based venture and has expanded to encompass a warehouse spanning more than 200 square meters in just over two years.

With a foundation built on loyal customers and exceptional makers, there's significant potential to expand both retail and wholesale operations further. The business currently operates part-time, allowing the new owner to either maintain existing hours or capitalise on growth opportunities.

Key Features:

- Unique homewares collection imported directly from Bali
