## PROFITABLE TELEHEALTH BUSINESS - SOLD

Unfortunately, you have missed this one.

Ready to step into the forefront of digital healthcare innovation? Here's your chance to own a 20% share of the action! Dive into a thriving online telehealth business, spearheading the transformation of Australia's healthcare landscape. With profitability woven into its DNA from day one, this dynamic venture has doubled its revenue in just a year, and the journey is far from over!

Investors, buckle up for a ride of sustained growth and boundless potential. With existing offerings driving consistent monthly boosts of 10-15%, it's clear that the market is hungry for telehealth solutions. Your investment will fuel ambitious plans for software development and strategic marketing, catapulting the business to new heights.

Led by a visionary Managing Director/CEO, supported by a savvy General Manager and a nimble team, this business thrives on innovation and excellence. With skilled doctors on board on a contractual basis, scalability is a breeze, ensuring seamless service expansion to meet the growing user base.

But wait, there's more excitement on the horizon! Brace yourself for revolutionary software developments and groundbreaking new product offerings that will redefine the telehealth experience in Australia. Don't miss out on this unmatched opportunity – secure your stake in a thriving telehealth business with a streamlined operational model.

### Key Features:
