PROFITABLE EPOXY & POLYURETHANE FLOORING BUSINESS - SOLD

Unfortunately, you have missed this one.

Introducing an exciting opportunity to enter the flooring solutions industry with this well-established Epoxy and Polyurethane flooring business boasting a stellar track record of over 15 years!

Operating from a streamlined home office setup, this business model offers unparalleled flexibility and minimal running costs. The current owner, anticipating retirement, has already begun reducing involvement to a mere 15 to 25 hours per week, yet the profits keep rolling in. The opportunity for greater returns is easily achievable for a motivated new owner prepared to dedicate additional hours.

This business assures outstanding results through its proven application method and straightforward process, making transforming mundane utility areas into welcoming spaces effortless, ensuring consistent and remarkable outcomes that make a lasting impression.

With a top-rated Google Business page and a stellar 5-star rating, the online presence speaks volumes about the business's success. The current owner has mastered the art of sales enhancement, effortlessly closing deals with photo samples and a link to the Google Business Page. No need for time-consuming on-site visits – quotes are generated rapidly from photos or plans, expanding the customer base without geographical limitations.

This business is riding high on a wave of confirmed bookings and pending quotes, promising continued success for the new owner. With a solid history of client
