33024 GROWING & PROFITABLE PEST CONTROL BUSINESS - 20+ YEARS

Take advantage of this lucrative and well-established business in the pest control industry! This business holds a unique advantage as it is the sole pest control provider in the region, resulting in limited competition. Over the past two decades, it has shown consistent growth, boasting impressive revenue figures and a remarkable annual growth rate. Its comprehensive range of services, catering to residential, commercial, and rural clients, including expert termite solutions and pre-construction inspections has created a high demand, setting this business apart with an unparalleled reputation within the community.

A substantial database of loyal customers is already in place, ensuring a strong foundation for continued success. Currently owner-operated with the support of an expert team of qualified technicians, this exceptional business is ready for a new owner or couple to take the reins and capitalise on an already established brand.

This mobile business operates from a home office, offering low overhead costs and exceptional flexibility. Located in a welcoming community with a growing demand for pest control services in Queensland's Central West, it has seen consistent annual growth in both profitability and clientele.

Key Features:

- Profitable business established for over 20 years.
- A dedicated team of staff in place for a smooth transition.
- Limited competition throughout the region.
- Well-known and respected brand in the local market with long-term customers.
