A fantastic opportunity awaits those interested in owning a successful and established nail and beauty salon. Located in a bustling area close to cafes, restaurants, barber shops, and hair salons, this salon has been a local favourite for nearly a decade. Boasting a dedicated clientele and a strong social media presence with excellent reviews, this business is primed for continued success.

The salon specialises in a wide range of nail services, with a standout offering being builder gel—an exclusive service not readily available in all nail stores. This unique service has not only attracted new clients but also ensured a loyal base of repeat customers. The salon's highly skilled staff offer quality work, exceptional customer service and stringent hygiene standards, contributing significantly to its positive reputation.

One exciting aspect of this business is the opportunity for expansion. With a treatment room currently subleased to a brow and lash technician part-time, there is an option to rent out the other room or to introduce additional beauty services and maximise income. The salon also has the potential to host kids' spa parties and offer subscription services, further diversifying its revenue streams.

Key Features:

- Strong reputation in the local community for over 10 years with loyal clients.
- Offers builder gel nail services, which set it apart from many competitors.
- Online booking system, streamlining operations.
