WELL-ESTABLISHED GARDEN MAINTENANCE BUSINESS - SOLD

Unfortunately, you have missed this one.

A rare opportunity arises as a thriving home and property gardening business comes onto the market. Specialising in outdoor gardening work, this business boasts a loyal clientele base built over 20 years of dedicated service.

With a mix of a large commercial contract and private works, this business offers stability and growth potential. The owner-operated nature ensures a personal touch that resonates with customers, leading to repeat business and referrals. This turnkey operation is ideal for an entrepreneur looking to step into a profitable business with a solid foundation and room for expansion.

Its mobile setup ensures unparalleled flexibility and independence, allowing the owner to serve clients across various locations efficiently. Say goodbye to leased office space and restrictive schedules. You can effortlessly manage operations from the comfort of your own home office or while on the go. You have the freedom to set your own working hours, allowing you to manage your business alongside personal commitments or other responsibilities.

Key Features:

- Profitable business operating for over two decades.
- Loyal and established commercial and private clientele.
- A mobile business offering owner flexibility and independence.
- Room for expansion and growth through online presence and marketing initiatives.
