

Harrington Park

34566 PROFITABLE & GROWING ALUMINIUM WINDOW & DOOR MANUFACTURER

An exceptional opportunity has arisen for an astute investor to acquire a leading manufacturer of aluminium windows and doors. Known for its durability and the excellent recyclability of its materials, the business takes pride in offering 100% Australian-made products at competitive prices, enhancing their appeal in residential and commercial markets.

This well-established business boasts a comprehensive product lineup, including awning windows, sliding windows, sliding doors, stacker doors, bi-fold doors and windows, double stacker doors, and hinge doors. It operates from a spacious industrial area, which provides ample room for manufacturing processes and is well-suited for large vehicle access, making it an ideal setting for substantial logistical operations. This strategic location not only facilitates easy access but also supports efficient distribution channels.

Currently, the company is experiencing profitable growth, thanks to its commitment to sustainability and quality. Aluminum's superb recyclability, without degradation of quality, underscores the business's dedication to environmentally friendly practices.

Key Features:

- Comprehensive product range: awning, sliding, stacker, bi-fold, and hinge doors and windows.
- 100% Australian-made, ensuring high-quality products at competitive prices.
- Located in a spacious industrial area, ideal for large-scale manufacturing and logistics.
- Profitable, growing business committed to sustainable practices and recyclability
