34433 PROFITABLE KIDS' SOCCER COACHING BUSINESS - UNDER MANAGEMENT

Are you ready to kickstart your entrepreneurial journey with a winning business? Look no further! This soccer coaching business, specialising in kids' programs, is up for grabs. With its mobile and scalable model, expanding to new locations is a piece of cake, offering a golden opportunity for growth.

With a well-established foundation, this business operates efficiently under management, generating full-time job profits while requiring an average commitment of just three hours per week from the owner. Coupled with full-time remote support, this business not only maintains a competitive edge over its rivals but also exemplifies a strong commitment to client satisfaction. By offering quality coaching services with a community-based approach, the business has become a beloved brand among families and the local community.

Currently servicing the Joondalup and Wanneroo areas, the business operates efficiently by hiring ovals from councils or schools, resulting in low operational costs. Its strong online presence, including a robust website and active social media profiles, has significantly contributed to its success. Focused on soccer development and supported by a dedicated team of coaches, the business has experienced organic growth over the past four years and has been profitable since 2020.

This opportunity is not just about running a business; it's about being part of a community, inspiring kids, and growing a brand that families love. For those passionate about soccer and eager to make a meaningful impact, this soccer coaching business offers the perfect platform to achieve both professional success and personal fulfilment.
