## PROFITABLE ONLINE HEALTH FOOD STORE - SOLD

Unfortunately, you have missed this one.

Are you on the hunt for a thriving online business that aligns with your values and offers a rewarding experience? Look no further! Seize the chance to take over an established eCommerce brand dedicated to eco-friendly home, pantry, and body products.

With a proven track record of consistent growth—boasting a remarkable 51% increase this year—and strong partnerships with reputable wholesalers, this business is primed for excellent income potential and expansion. Imagine running a flexible, home-based operation with endless growth opportunities: expand into retail storefronts, explore a franchise model, set up pop-up shops, or even participate in farmer's markets. Whether you're passionate about joining the health & sustainability movement or seeking a profitable venture, this business is your gateway to making a meaningful impact in the world of eCommerce.

Every item in the collection is handpicked from trusted growers, farmers, and manufacturers, with a special focus on Australian and organic options. Quality is the top priority; each product undergoes rigorous testing and tasting to ensure only the finest offerings make it onto the virtual shelves. The business' commitment to transparency means detailed product information is always available, empowering customers to make informed choices with confidence.

### Key Features:

- A robust Shopify store with over 16,000+ orders. Absolute turn-key business!
- Established branding and domains + a strong social media presence with over 11,000 followers on Instagram.
