With an already established membership base secured, this is the perfect opportunity if you are enthusiastic about helping women achieve their fitness and health objectives while enjoying the benefits of a thriving community environment!

The gym is strongly situated in a coastal neighbourhood south of the Melbourne CBD and is expanding in size as a result of new construction and migrating Victorians. The business has become a pillar of the community and offers a terrific work/life balance adjacent to family parks and beaches. It also has exceptional exposure, ample parking, and high volumes of daily foot traffic thanks to its position.

Offering a wide range of programs and fitness plans for its loyal customer base, the gym has created an engaged, positive feel that ensures members feel welcome from day one. You will also receive ongoing training and support from a dedicated business development manager on sale.
