34476 LUCRATIVE REGISTERED VOCATIONAL EDUCATION BUSINESS - 25+ YEARS

Step into the thriving world of advanced trade and para-professional education with this distinguished National and International Vocational Education business. With a remarkable legacy spanning over two decades, this Registered Training Organisation (RTO) is a beacon of excellence in the metal trades and civil drafting and design sectors. Renowned for its solid reputation and unmatched track record, this business stands as a leader in the industry.

Boasting an impressive 75% EBIT growth, this not only underscores its financial stability but also its potential for continued success. Holding prestigious state government user choice contracts across Australia and CRICOS registration, the business meets the highest international education standards. Recent strategic upgrades include a vibrant presence on social media, coupled with a newly optimised website that perfectly aligns with current branding and messaging strategies.

Managed by a top-tier team of RTO specialists under the current owner's expert guidance, the business prides itself on maintaining full compliance and systemisation. A secure contract with a prominent mining company for staff training further cements its stability and growth potential. This foundation ensures the business is poised for seamless transition and continued prosperity under new ownership.

Key Features:

- Profitable business established for over 25 years with an impressive 75% EBIT growth, showcasing financial strength.
- Nationally & internationally recognised, holding prestigious government contracts & CRICOS registration for global reach.
