## 34478 LEADING DESIGNER & SUPPLIER OF DUST & FUME SYSTEMS

Looking to invest in a profitable and well-established business? Here's your chance! Presenting a remarkable opportunity to own a reputable 20-year supplier of top-notch dust collectors and dust and fume extraction systems. This business has cemented its place in the industry, ensuring a steady and reliable income stream for its owners.

Offering a comprehensive range of services from design and installation to servicing, parts sales, and equipment hire, this business meets all the needs of its diverse clientele. With strong, long-term partnerships with respected suppliers in Australia and a robust network in China, the business operates efficiently with the help of experienced contractors who expertly manage projects remotely, cutting down on overheads.

Reliability and customer well-being are at the heart of this business, reflected in its superior industrial-grade products designed to maintain clean and safe workspaces. Serving a wide array of industries such as manufacturing, mining, automotive, chemical, and food sectors, this business has earned a stellar reputation for its exceptional service and over-engineered designs that consistently exceed customer expectations.

Strategically located near one of Australia's largest manufacturing hubs and easily accessible via major motorways, the business enjoys a prime location that enhances its growth potential. With a proven track record of strong cash flow and ample opportunities for expansion, this business is an enticing investment for entrepreneurs ready to dive into the industrial sector.
