33153 ESTEEMED COSMETIC TATTOO TRAINING ORGANISATION

Attention aspiring entrepreneurs and beauty industry enthusiasts! This is your opportunity to establish yourself in the highly profitable cosmetic tattooing industry! With an impressive 15-year track record, this prestigious institution specialising in cosmetic tattooing training stands as a symbol of excellence.

Offering extensive training programs tailored for both beginners and advanced students, the institution covers a diverse array of procedures such as eyebrow, eyeliner, lip, areola, and scar camouflage treatments. Every instructor at this esteemed establishment holds Government Accreditation and continually refines their expertise by staying abreast of the latest industry trends and techniques. Furthermore, the training facility's location is strategically chosen, offering convenient all-day street parking and easy accessibility via train and bus routes.

What distinguishes this training organisation is its unwavering dedication to delivering a personalised and intimate learning experience. In contrast to larger class sizes that can leave students feeling adrift, this boutique institution maintains an enviable student-to-trainer ratio of 2:1. This ensures that each learner receives individualised attention and guidance, cultivating an environment conducive to personal growth and success. Notably, in addition to local training, this organisation hosts International and National Master Training events.

This training organisation takes immense pride in its holistic approach to education. They not only provide exceptional training but also offer ongoing support and post-training assistance to their students. Over 400 aspiring artists have honed their skills within the hallowed walls of this esteemed institution, with many achieving acclaim as highly sought-after professionals in the industry. The current owner, who has dedicated nine years to the business, is willing to assist in a smooth transition for the new owners
