35021 LASER ENGRAVING & CUTTING BUSINESS – PROFITABLE & GROWING

This is an exceptional opportunity to acquire a specialised laser engraving and cutting business that has carved out a niche in the market. The business excels in providing high-quality, personalised products and prides itself on same-day turnaround.

The key to its success lies in its high level of client interaction, well-maintained machinery, and the ability to deliver a "wow" factor that ensures customer satisfaction. This stress-free operation allows owners to enjoy the rewarding experience of seeing delighted customer reactions.

Located in two bustling areas with excellent foot traffic, this business enjoys prime positions that draw in a steady stream of customers. Both locations are ideally situated to capitalise on the high visibility and constant flow of potential clients. Additionally, the business boasts a well-established online store, extending its reach beyond the local market. The business has garnered glowing reviews and a strong social media following, further enhancing its reputation.

This profitable and growing business offers significant potential for further expansion. While the current owners have achieved impressive results, there is ample opportunity to take the business to new heights, particularly with an enhanced online strategy.

Key Features:

- Profitable, well-established business with substantial growth potential.
- Personalised engraving services with rapid turnaround times.
- High level of customer satisfaction with consistently positive reviews.
