22346 SLOW SUSTAINABLE FASHION BRAND – ONLINE & PHYSICAL STORE

This is a fantastic chance for a creative investor who wants to own a reputable brand and have the freedom to design and produce their own ideas and creations. This brand has established a devoted customer base across Australia and boasts a well-stocked brick and mortar store on the Sunshine Coast, in addition to a cutting-edge eCommerce website.

Offering multiple income streams, the profitable wholesale arm of the business also satisfies the needs of national merchants because the clothing is in high demand all around Australia! The business is dedicated to creating fashion from sustainable, ethically sourced materials while collaborating closely with artisans, communities, and families. Profits have been made by the business despite the recent pandemic due to its focus on a valuable niche market.

In order to manage the storefront, online sales, and wholesale clients, the business has a reliable team of competent employees in place. This gives the owner time to concentrate on the business' creative aspects and enjoys a good work-life balance with the possibility to travel for business. This business, which is Australian designed and manufactured abroad, is primed and prepared for new ownership thanks to existing ties with reliable manufacturers and wholesalers.

Key Features:

- A profitable business operating in a niche market.
- Slow sustainable fashion brand creating small productions using a very unique manufacturing process.
- Carefully selected wholesale customers that align with brand values.
- Successful retailer, both online and physical storefront.
