## 35087 ESTABLISHED DIESEL MECHANICAL - RUN UNDER MANAGEMENT

Presenting an exceptional diesel mechanical repairs and sales business located in the bustling regional hub of Bundaberg, Queensland. With over 20 years of proven success, this business has built a strong reputation, serving a loyal client base that includes long-standing government contracts and exclusive engine dealership agreements.

The business offers comprehensive services, specialising in diesel mechanical repairs, new engine sales, and parts distribution. Its strategic location in Bundaberg allows it to reach a wide client base across the surrounding areas, maximising market potential. Over the years, the business has cultivated a steady stream of work from dedicated clients, ensuring consistent revenue and financial stability.

A major advantage of this business is that it is currently run under management, with a highly competent team in place to ensure smooth operations. This setup allows for minimal owner involvement, making it an ideal acquisition for someone looking to invest in a thriving business without needing to manage day-to-day activities. The established government contracts and engine dealership partnerships further strengthen the business's position in the market, providing a solid foundation for continued growth.
