35101 PROFITABLE ELECTRICAL SERVICES BUSINESS - GROWTH POTENTIAL

Presenting a thriving business that has established itself as a trusted provider of maintenance and installation services for electrical systems and air conditioning units, specifically catering to the real estate market. This business is highly profitable and enjoys a strong reputation for delivering dependable, competitively-priced services that clients trust.

As a contracted warranty agent for leading air conditioning brands, the business benefits from a steady stream of work and the trust of its customers. Its comprehensive service offerings, from electrical maintenance to air conditioning installation, make it a one-stop solution for real estate clients across the Brisbane, Gold Coast, and Ipswich markets. The business's central location ensures efficient service delivery across these regions, maximising its reach and minimising travel time.

Customer satisfaction is at the heart of this business, with a reputation for excellent service that has led to long-term client relationships and high levels of customer loyalty. The business has also developed a strong online presence, which, combined with effective B2B partnerships and referrals, drives the majority of its sales.

Key Features:

- Contracted warranty agent for leading air conditioning brands, ensuring reliable and consistent business opportunities.
- Comprehensive services tailored specifically for the real estate market.
- Centrally located to efficiently serve Brisbane, Gold Coast, and Ipswich, maximising reach and minimising travel time.
