34564 REPUTABLE PARENT & EARLY CHILD DEVELOPMENT PROGRAM BUSINESS

An exceptional opportunity awaits those passionate about early childhood development! This well-established business, specialising in neuro-development programs for babies and children, is now available for sale. For 40 years, the business has provided a fun learning environment where parents nurture their children through their natural stages of development to reach their full potential.

The business offers a unique blend of activities, including challenges on equipment and structured mat time activities, all designed to be engaging and educational. The highlight is the interactive sessions involving parents with their children, fostering a strong bond while ensuring valuable learning experiences. Operating within school hours and terms, it presents an ideal lifestyle business for owners seeking a great work-life balance.

Included in the sale are two sets of major equipment plus extensive resources, facilitating immediate expansion opportunities. For decades, the business has been based at the same location, which boasts ample space and excellent heating and cooling systems. Additionally, the premises features convenient off-street parking for clients. With an online and social media presence, the business has established a solid reputation in the community and beyond.

Key Features:

- Profitable business established for 40 years.
- Operating during school hours and within school terms, providing a great work-life balance.
