35064 PROFITABLE MATHEMATICS & ENGLISH FRANCHISE OPPORTUNITY - MULTIPLE LOCATIONS

Discover a remarkable investment opportunity in one of the world's premier Mathematics and English franchise networks! This established franchise uses authentic content developed by Singapore Educators in Singapore, to ensure the integrity of the proven Singaporean methods.

The unique and highly effective curriculum is closely aligned with the Australian curriculum. Their proven approach focuses on mastering topics and understanding concepts rather than rote learning, emphasising speed and accuracy. As a centre owner, witnessing the transformation in students as they gain confidence and develop their skills is profoundly satisfying.

One of the significant advantages of this franchise opportunity is the ability to choose the ideal location. Early investors can secure the perfect spot, bringing this world-renowned program to eager students in their community.

Despite requiring full-time commitment, the hours are flexible, allowing the owner to set a schedule that suits their lifestyle. The program operates only 40 weeks per year of student-facing classes, but franchisees receive payment for 12 months. The remaining 12 weeks require limited availability, providing ample time to focus on growing the business.

Key Features:

- Locations available in QLD, WA, SA and NT.
- Exclusive Content: Developed by top educators, ensuring high-quality education that produces confident and skilled students.
- Flexible Work Hours: Manage your own hours with lessons scheduled outside of
