Renowned for its ethical standards and honest approach, this thriving medical and cosmetic treatments business specialises in injectable treatments and advanced skincare services, earning a stellar reputation thanks to its highly experienced staff who deliver exceptional results.

These two strategically positioned facilities ensure maximum client convenience with easy access and ample parking. The Geelong location shines with its boutique, inviting consulting room, creating a warm and personalised atmosphere for clients seeking top-notch aesthetic solutions. Meanwhile, the Point Cook branch, conveniently close to Melbourne and the inner suburbs, boasts minimal local competition and high demand, often booked out weeks in advance. Its strong online presence through a polished website and active social media channels has further broadened its reach, building a loyal customer base with excellent retention rates.

Established from the ground up and consistently growing over the past 7 years, this business is primed for even greater expansion. The current owner's 30-hour workweek leaves plenty of room to boost turnover. Highly capable staff deliver exceptional treatments and manage appointments, allowing for a smooth transition even for non-clinical buyers.
