BONZA

35116 PROFITABLE & LEADING COMMUNICATION & ELECTRICAL SERVICE BUSINESS

Are you ready to step into the spotlight with a truly remarkable opportunity? Bonza presents a distinguished specialist communication business renowned for its leadership in supplying and installing an extensive range of data cabling solutions and associated hardware. But that's not all—this company has seamlessly expanded its portfolio to include premium electrical services for the corporate and commercial sectors, along with top-notch Security, CCTV, DAS, and Video Conferencing solutions. With a stellar reputation for innovation and adaptability in the ever-evolving digital landscape, this business ensures clients are always ahead of the curve.

At the heart of this operation is a team of meticulously trained technicians and a nationwide network of subcontractors, all dedicated to consistently delivering creative and effective solutions. Their exceptional customer service and keen focus on understanding and meeting client needs have set the standard in the industry. From customised solutions to maintaining open, effective communication, this business consistently goes above and beyond to exceed client expectations. Their impressive portfolio of successful projects and satisfied clients is a testament to their capability and reliability.

Operating with a keen emphasis on service, all work is performed directly at clients' premises, ensuring hands-on, personalised attention every step of the way. What sets this business apart is its unmatched flexibility—manage operations from home or on the go, without the need for leased office space or rigid schedules.
