35135 ESTABLISHED ELECTRICAL MAINTENANCE BUSINESS - PROFITABLE OPPORTUNITY

Don't miss this exciting opportunity to own a highly profitable electrical maintenance business, expertly servicing real estate agents and body corporate/strata clients across Melbourne's bustling Western Suburbs. This well-established business has earned an exceptional reputation, reflected in its outstanding Google ratings and the consistent loyalty of clients who have relied on its services for many years.

Specialising in essential services such as electrical safety inspections and smoke alarm compliance, the business ensures that properties meet all necessary regulatory standards. With very high-profit margins, it offers an attractive opportunity for anyone looking to invest in a lucrative and stable business.

One of the key strengths of this business is its ongoing and recurring revenue stream, generated by organic work orders that continue to flow in regularly. The business's operations are further enhanced by state-of-the-art job management software, which automates systems and ensures smooth, efficient processes.

The business's long-standing relationships with clients have been built on a foundation of trust and reliability, making it a well-regarded fixture in the community. This provides a solid base for future growth, whether the new owner is a husband-and-wife team, an individual looking to expand, or a larger company seeking to increase its market share in the real estate maintenance and safety inspection space.

Key Features:

- Highly profitable business with very high margins and recurring revenue from
