35152 LAWN MOWING & GARDEN MAINTENANCE BUSINESS - 20+ YEARS

Looking for a business that's as green and growing as the lawns it cares for? This well-established lawn mowing and garden maintenance service has been keeping the grass trimmed and clients smiling for over 20 years! With an enviable reputation for quality work and a loyal customer base, this mobile business services some of Perth's most affluent suburbs. The owner's dedication to maintaining lawns to the highest standard has kept customers coming back year after year—most for over a decade!

This is a profitable, well-run business that's been turning a profit from day one. With over 200 regular clients, the business keeps busy throughout the year. In winter, lawns are mowed once a month, while summer sees over 100 clients booking in fortnightly. That means a steady, reliable income with room to grow. This business has thrived solely through word-of-mouth, thanks to the exceptional quality of work. With no current online or social media presence, just think of the potential if a new owner decides to tap into the digital space!

As an owner-operated business, this venture offers incredible flexibility in day-to-day operations. You can continue running it solo, enjoying the freedom to set your schedule and maintain a hands-on approach, or easily scale up by hiring staff to meet growing demand. Whether you prefer keeping things steady or expanding to new heights, this business gives you the flexibility to choose your path.
