34616 LUCRATIVE PLANT-BASED FOOD MANUFACTURING BUSINESS

Discover a golden opportunity to acquire a flourishing family-run business with almost 13 years of operational excellence. This distinctive enterprise specialises in crafting delicious, healthy plant-based protein products, distinguished by its commitment to pure, simple ingredients free from preservatives or fillers. With a strong reputation for quality and innovation, this business has carved out a niche in the competitive plant food sector, offering gluten-free, dairy-free options primarily sourced from Organic Australian ingredients.

Operating from a home-based commercial kitchen, the business is strategically located in a demographic with a strong inclination towards healthy eating habits, ensuring a ready market ripe for expansion. With a small, dedicated team in place, this owner-operated business runs only 3-4 days per week, benefiting from low fixed costs and streamlined operational systems.

With unique products and a well-established brand, this business holds immense growth potential. It is profitable, with sales driven primarily by customer inquiries, and offers significant opportunities for expansion in the food service and B2B sectors. Additionally, there is potential to further enhance its online and social media presence.

Key Features:

- Reputable brand with huge potential to expand in the growing plant-based foods market.
- Profitable business established for almost 13 years with great word-of-mouth referrals.
- Gluten-free and dairy-free products made with organic, preservative-free ingredients.
