34641 LUCRATIVE & GROWING LANDSCAPING BUSINESS

An exceptional opportunity is available with this well-established landscaping business, offering a wide range of services, including paving, decking, retaining walls, and more. The business benefits from a highly profitable contract with a well-known artificial grass company, providing a consistent flow of projects.

The mobile nature of the business allows it to serve areas within an hour of the owner's location in Aintree, Victoria, offering flexibility and access to a wide customer base. A well-established online presence, featuring a professional website and active social media profiles, has further enhanced its visibility and growth.

Clients value the personalised service, as the same professional who provides the quote is present on installation day, giving them confidence and peace of mind. Renowned for punctuality and meticulous attention to detail, this business has built a strong reputation for quality and reliability.

Operated by the owner with the support of subcontractors for larger jobs, the business has experienced impressive growth over the past two years, with an upward sales trajectory. The business model is highly scalable, allowing it to easily meet increasing demand with the addition of more resources.

Key Features:

- Mobile business offering owner flexibility, with the option to purchase a vehicle.
- Contract in place with a reputable artificial grass company.
- Profitable and growing business with comprehensive service offerings.
