34633 GROWING POOL & SPA MAINTENANCE BUSINESS

Ready to dive into a highly profitable business in the pool and spa maintenance industry? Look no further! This well-established business, renowned for its top-tier service, offers customised solutions tailored to meet each client's unique needs. Services include poolside water analysis, thorough cleaning, general repairs and maintenance, leak fixes, green pool treatments, and a full range of pool and spa chemicals. The business also supplies and installs essential equipment like pumps, filters, chlorinators, auto cleaners, and pool covers, ensuring every pool stays pristine year-round.

With a reputation built on excellence and a commitment to customer satisfaction, the business has cultivated a loyal and returning client base. Customers consistently praise the exceptional service, contributing to the business's long-standing success. Operating as a mobile service from a home office, the business serves an expansive area south of the Swan River, including rural properties, allowing for wide reach and flexibility.

The business already has a social media presence, but there's huge potential for growth by developing a dedicated website and ramping up digital marketing efforts. With a strong foundation, strategic location, and comprehensive service offerings, this business is perfectly positioned for further expansion and increased profitability.

Key Features:

- Profitable and growing business.
- Loyal and friendly customer base.
- A mobile business offering flexibility and minimal overhead costs.
