### 35172 ESTABLISHED & HIGHLY REPUTABLE PHOTOGRAPHY BUSINESS

For over three decades, this well-established family photography business has been capturing the cherished moments of Melbourne families. Since its inception in 1992, the business has built deep and lasting relationships with its clients, many of whom return year after year, trusting in the personal care and attention given to their most precious memories.

The business operates from a home-based studio and offers beautiful rustic backdrops, ideal for capturing family, children, and pet portraits. This versatile setup offers flexibility, allowing the next owner to continue operations from any location. Sessions are conducted by appointment only, with clients travelling from across Melbourne and beyond. While most sessions take place in the studio, the business also offers on-location and home sessions, providing variety and convenience to long-standing clients. Over the years, unique locations and creative studio modifications have been introduced to keep the photography fresh and exciting for repeat customers.

This business has always placed a strong emphasis on relationships, with a client-focused approach at its core. The current owner is looking for someone who shares these values—a person who understands the importance of family, connection, and delivering exceptional photographic experiences. The new owner will inherit a deeply loyal clientele, many of whom have been with the business for generations, trusting their most important moments to this dedicated studio.
