35179 PROFITABLE PET SUPPLIES BUSINESS - 10+ YEARS

Get ready to wag your tail with excitement! This pet supplies business has been delighting the animal-loving communities of Australia and New Zealand for over a decade. Offering an impressive selection of quality specialty products that you won't find in typical pet shops, it caters to a niche market. Serving veterinarians, animal airlines, dog groomers, the dog breeding community and the general public, the business also boasts its own brand of products and dropships for another respected retailer.

Thanks to a strong online presence, including a user-friendly e-commerce store and lively social media pages, the business has cultivated a loyal and growing customer base that keeps coming back for more. Their excellent reputation is supported by glowing Google reviews, and the friendly, customer-focused team ensures a smooth and efficient shopping experience. Plus, the shop and warehouse are ideally situated for hassle-free deliveries, with ample parking to make visits convenient for everyone.

As the owners prepare for their well-deserved retirement, they're excited to hand over the reins to a new owner who can take this thriving business to even greater heights. The groundwork has been laid, but the potential for future expansion is enormous! Imagine reviving profitable mobile sales, launching in-house dog grooming services, expanding with interstate franchises, and breaking into additional international markets.
