35188 CLEANING & PEST CONTROL BUSINESS - MULTIPLE INCOME STREAMS

Take the reins of this highly reputable family-owned business that has been servicing the Gold Coast for over 21 years. With a five-star reputation among real estate agents and property managers, this is your chance to own a turnkey business that stands out in the industry by offering a comprehensive suite of services.

Unlike many operators who specialise in only one or two areas, this business provides a full range of services, including commercial & bond cleaning, carpet cleaning, pest control, flea treatments, and tile and grout cleaning. This unique approach adds convenience for clients and allows the business to offer lucrative package deals that appeal to both vacating tenants and a wider range of clients.

Renowned for its attention to detail and reliable service, the business has become the go-to choice for real estate agents and property managers, frequently receiving referrals for both bond and sale cleans. In addition to residential services, the business holds a weekly commercial office cleaning contract, providing a steady & significant stream of revenue. The operation is run efficiently from a home office, keeping overheads low and allowing for flexible management.

Servicing the Gold Coast from Tweed to Beenleigh, the business often receives inquiries from Brisbane, Logan, Ipswich, and beyond, creating significant potential for expansion. For those looking to grow the business further, the opportunity to establish a second operation in Brisbane or surrounding areas is readily available. Financially, the business has remained strong with consistent, steady profits year after year.
